

Press Release: August 9, 2021 – *1821 Insurance Agency is now Rockall Insurance Agency*

Why the change? Rockall Insurance Agency was originally named “1821” to represent the 18th Amendment (Prohibition) and the 21st Amendment (overturning Prohibition) as an acknowledgement of the hard work being done by proponents within the cannabis community.

Today, a new dawn of bold and inspiring entrepreneurs and industries – in cannabis and beyond – is here, and the change to Rockall reflects our continued and expanding support of these novel and underserved markets with carefully tailored risk management.

With direct and exclusive carrier access, Rockall provides comprehensive coverages, competitive rates, and quick turnaround times. Our goal is to meet your clients’ needs by offering admitted insurance products on a stand-alone basis.

While exploring entry into other emerging markets, Rockall will continue to focus on the cannabis industry with the following coverage highlights:

- Product Liability and General Liability on an admitted basis
- Monoline and stand-alone coverages
- Exclusive carrier partnership with A- (Excellent) AM Best rated Continental Heritage Insurance Company
- Cannabis Intoxication Liability Endorsement
- Defense costs outside policy limits
- No health hazard exclusion
- No mold, fungi, or bacteria exclusion
- Vape coverages available

“Continental is excited to partner with Rockall to further develop specialized programs for emerging and novel industries,” Sean O’Brien, President of Continental Heritage Insurance Company. “The Rockall team has a thorough understanding of the cannabis industry and has been instrumental in the development and expansion of our products.”

Cannabis liability coverages are currently available on an admitted basis in California, Washington, and Nevada. Stay tuned as Rockall announces availability in up to ten additional states in 2021.
